This speed limit and compliance with standard "rules of road" will be strictly enforced by The Plantation and/or by the St. Johns County police.

GOLF CARTS AND LOW SPEED VEHICLES (LSV): The streets of Plantation are private roads and can be subject to stronger rules and regulations than St. Johns county. Our roads are used by bikers, walkers, cars, trucks, golf carts etc. To ensure that all that use the roads for transportation or recreation can do so safely, Plantation has enacted the following rules and regulations for golf carts and low speed vehicles.

1. Golf carts and low speed vehicles must be electric powered. Gas powered golf carts and/or low speed vehicles are not permitted.
2. All golf carts and LSV's, irrespective of their intended use (golf or transportation throughout Plantation), must be registered with Plantation Security and display Plantation registration decals on the front and rear cart bumpers. 4. No person shall be permitted to operate a golf cart on Plantation roads, cart paths or golf course without a valid driver's license, even if the accompanied by a licensed driver.
5. Members and their guests will be held fully responsible for any and all damages caused by the use of their private cart or while using a club-owned golf cart.
6. Operation of a golf cart or LSV is at the risk of the operator. Obey all traffic and directional signs.
7. Drivers must ensure that number of passengers does not exceed the number recommended by the manufacturer (one passenger per seat). All passengers must remain seated. At no time shall passengers hang from the sides, rear or top of the cart.
8. Member-owned golf carts are permitted on the golf course and cart paths if they are electrically operated, two seat and of like body style and design as the Plantation fleet carts. **The body color will be cream or white. Top may be cream, white or black.**
9. Further rules regarding the use of golf carts on the golf course can be found under Golf Rules and Regulations.

E-BIKES: have become increasingly popular, especially among younger riders. Given the ability of E-Bikes to achieve sustained speeds greater than non-electric bicycles, the Association hereby adopts relevant safety measures enacted by the State of Florida as well as certain additional measures tailored to the needs of the Plantation.

1. For purposes of these Rules, an E-Bike means an electric bicycle as that term is defined under Florida law (Fla. Stat. 316.003(22)), meaning it must be equipped with fully operational pedals, a seat or saddle for the use of the rider, and an electric motor of 750 watts or less.
2. All E-Bikes owned or operated by any Plantation resident must be registered with Security. Each such registration must be accompanied by a certification, in a form satisfactory to the Association, affirming that
 - a. the E-Bike meets the requirements of Section 1 above and Section 4 below,
 - b. the E-Bike will be operated in compliance with these Rules when operated within the Plantation.
 - c. the Member takes responsibility for the safe operation of the E-Bike, consistent with these Rules, including a waiver of liability and indemnification in favor of the Association in a form provided by or satisfactory to the Association.
3. In accordance with Florida law (Fla. Stat. 316.20655(1) and 316.2065(3)(d)), any person under the age of 16 must wear a helmet when riding on an E-Bike within the Plantation.
4. In accordance with Florida law (Fla. Stat. 316.20655(1) and 316.2065(7), (13)) an E-Bike must be equipped with

5. All E-Bike Riders shall observe all Plantation speed limit and other traffic control signs while operating an E-Bike.
6. E-Bikes may be operated on Association property where and when regular bicycles are permitted to be operated. (See Plantation House, Beach House and Commons Rules and Regulations at p. 4). E-Bike operators shall use available bike racks to park their E-Bikes.
7. The number of persons riding on an E-Bike may not exceed the number of seats on the E-Bike.
8. Except as otherwise provided in this Section, all State and St. Johns County laws applicable to E-Bike safety and operation shall apply to the operation of E-Bikes within the Plantation.
9. Electric scooters, skateboards, and other similar electric-powered personal conveyances (not including electric cars and trucks) are subject to and shall comply with Sections 3, 5, and 6 of these E-Bike Rules and Regulations.

Due to the presence of alligators, snakes, and fertilizer runoff from the golf course and common areas, *swimming is prohibited in any waterway in The Plantation.* Fishing is permitted only on a catch-and-release basis and only in areas where it will not cause disruption or distraction to golfers. Fishing is *prohibited* during hours of golf play on any lake area that borders a golf hole. ACCESS/SECURITY: The Front Gate (entering from A1A) is for the use of Members and their Guests and is staffed 24 hours a day. Members and their Guests may enter through the manually operated gate adjacent to, and operated by the Security Office (left gate). Members may also utilize the RFID gate which automatically opens the right gate.

The County Road 210 Gate (the "Back Gate") is for use by Members and their Guests and is also to be used by all construction, maintenance, delivery and other commercial vehicles. Members should contact Security to grant admission to their Guests and maintenance and delivery personnel. Residents may also complete an Approved Access Form, to be maintained on file by Security, indicating individuals the Member wishes to have access to The Plantation on a regular basis.

A roving security patrol is provided for additional safety and monitoring of The Plantation's grounds. To request that your home be scheduled for house checks, please complete and submit the applicable written request form to the Security Office prior to departure. Vehicles parked at the maintenance area are parked at the owners' risk. The Association will not be responsible for security or damage to these vehicles. Plantation Golf Course Rules & Regulations

Members of the Plantation are expected to always play golf in the spirit of the game and conduct themselves in a respectful manor. Acting with integrity, showing consideration to others, and taking good care of the course are hallmarks of the game of golf that are embraced by the Plantation.

The purpose of these rules is to ensure the highest quality and most pleasurable golfing experience for Members, their families, and their Guests. It is important that all players strictly adhere to these rules and the rules of golf etiquette at all times. Failure to do so may result in referral to the Director of Golf, Golf Committee or Board of Directors and disciplinary action including suspension of privileges.

RULES: USGA rules govern play, unless otherwise specified by Local Rules. Local Rules are printed on the scorecard and are available in the Golf Shop.

CELL PHONE USAGE: Cell phones should only be used for emergency purposes on the golf course, including practice facilities. At The Plantation, golf etiquette includes placing cell phones in “silent” or “vibrate” mode when on the golf course or on any of its practice facilities.

DRESS CODE FOR GOLF AND PRACTICE AREAS AT THE PLANTATION: The Plantation is a non-metal spike facility. Proper attire is required at all times on the practice facility and the golf course. Members and Guests who are in doubt concerning attire should check with the golf staff before beginning play. It is the responsibility of the golf staff and the membership to ensure that all golfers are in compliance with the dress code. Members are encouraged to consider common sense, respect for tradition, modesty, and the comfort level of fellow members when making casual golf attire decisions.

ACCEPTABLE ATTIRE FOR MEN: Slacks, shorts, or plus fours (mid-thigh or longer). Golf shirts (with buttons) shall have a collar, blade style collar (mock), or rounded neck (sweater or appropriate golf style hoodie) and must be tucked in at all times as appropriate. Baseball style caps shall be worn forward facing. Unacceptable attire for men would be denim or blue jean material of any kind, cargo shorts or pants, sweatpants, athletic workout shorts, swimsuits, t-shirts, and tank tops.

ACCEPTABLE ATTIRE FOR WOMEN: Slacks, shorts, or skorts (mid-thigh or longer). Shirts, blouses, sweaters (appropriate golf style hoodie), turtlenecks, collarless shirts, or golf dresses with an appropriate neckline and strap. Shirts without sleeves must have a collar or appropriate neckline. Unacceptable attire for women would be denim or blue jean

material of any kind, t-shirts, halter tops, spandex, sweatpants, swimsuits, work out clothing, tank tops (golf dresses) with thin straps and no collar.

While some special considerations may apply to Junior Golfers under the age of 12 and/or participating in a Club Sponsored Junior Program each junior is encouraged to follow the guidelines set forth for young men and young women similar to adults.

TEE TIMES/RESERVATIONS:

RESERVATIONS: Starting times may be reserved no more than one week in advance.

A Member may reserve not more than four starting times for informal group play. Management may reduce the number of starting times available during peak times and holidays.

Members are asked to abide by both the rule and the intent of the rule so that individual starting times are available to other Members who are not included in informal, or formal, group play.

Tee times must be cancelled at least 48 hours in advance. Golf shop will monitor cancellations and report repeat violations to the Golf Committee.

RESERVATION PRIORITY: Organized club events (including tournaments) shall take precedence over other play. Players on the course during an organized club event, but not entered in the event, must skip holes or leave the course so that they do not interfere with the event.

Groups playing a full round have precedence over those playing 9 holes.

Groups making the turn have precedence over groups starting at #10 Tee, except on occasions when tee times are scheduled at the #1 Tee and #10 Tee concurrently. Singles or twosomes may be paired during peak periods at the discretion of the Golf Shop or Starter. As a general rule, a twosome should attempt to pair with another twosome or single whenever possible. Sixsomes and larger are not allowed.

Fivesomes are permitted at The Plantation and are under the same pace of play obligation as any other group and must skip holes or allow following groups to pass through if out of position.

FEES: If a Member and/or Guest plays 3 holes but less than 9, a 9-hole cart fee will be charged. If a member plays 12 holes or more, an 18-hole cart fee will be charged.

GOLF CALENDAR/EVENTS: The Plantation Board of Directors has approval authority for the overall Golf Calendar upon receiving the recommendations of the Golf Committee. The annual Golf Calendar may include no more than five Interclub home matches for men, no more than three 18-hole Interclub home matches for women, and no more than two 9-hole Interclub home matches for women. Interclub events for each group should be spread, as much as possible, throughout the year.

Outside Events are subject to approval by the Board of Directors and are intended to be limited so that the course is available for Member play and appropriate time is available for required maintenance. An “Outside Event” is defined as one in which the normal requirement for a Member to be present in every group (i.e. threesome, foursome) does not apply. Approval of unaccompanied Guests according to the minor exception stated in the Golf Course Guests Policy does not constitute an Outside Event.

STARTER: All Members, including those with private carts, must register with either the Golf Shop or Starter before starting play. Guests must be registered in the Golf Shop before starting play. Players should report to their starting Tee five minutes before the scheduled starting time. All play must start on the #1 Tee or #10 Tee. In order to speed-up play, only one player is allowed to play from any one bag.

PACE OF PLAY: Players are expected to complete eighteen (18) holes in four (4) hours or less and nine (9) holes in two (2) hours or less.

“The preceding guidelines or rules on “out-of-position“ for purposes of pace of play are long-standing, USGA standards and recognized golf etiquette. The point is to keep up with the group in front of you, as a courtesy to those playing behind you. All members should be courteous and respectful towards each other. Courtesy is a core value of golf, and all Members are urged to honor these “out-of-position“ rules.”

Each group is to maintain the appropriate pace of play in consideration of other players. A group is considered out- of-position if it:

- Reaches the tee of a par 3 hole and the hole is clear.
- Fails to clear the tee of a par 4 hole before the preceding group clears the putting green,
or
- Arrives at the tee of a par 5 hole when the preceding group is already on the green.

Groups stopping between nines long enough to get out of position, causing a gap with the group in front, shall lose their place and must re-register in the Golf Shop in order to be repositioned into the flow of play.

Club staff may issue a warning to groups failing to keep in position.

If a second warning is issued, club staff may instruct the group to allow the following group to play through or skip enough holes to be back in position.

If a third warning is necessary, club staff may ask the group to end their game and leave the course.

Golf staff is authorized to enforce this policy and will report the event of any second and third warnings to the Golf Committee.

ACCESS TO THE GOLF COURSE AND PRACTICE FACILITIES: The Golf Course and its associated practice facilities are intended for GOLF USE ONLY and other uses are not permitted, unless specifically stated herein or approved in advance by the General Manager.

The golf course, including all practice facilities, may not be used when the course is closed, unless otherwise stated. The practice putting green is open on Monday after 12:00 noon.

Registered two-person golf carts approved for use on the Golf Course, maintenance equipment and maintenance vehicles are the only motorized vehicles permitted on the golf course and cart paths.

ACCESS TO THE CART PATH: Use of the cart paths by anyone not playing golf is always done at the individual's risk.

Walkers, bikers, pleasure golf cart riders or dogs are permitted on the cart path only. At no time shall non-golfers be on the golf course. Rollerblading and skateboarding are not permitted on cart paths at any time. Non-golfers may utilize the golf cart paths when the golf course is not open for play and during the following periods when the golf course is open:

MORNING HOURS:

First Nine – non-golfers must be off the cart paths by 7:30am

Second Nine – non-golfers must be off the cart paths by 9:00am

EVENING HOURS:

Holes 1-18 – walking and bicycle riding on cart paths is permitted after 6:30 pm (April through October) and after 4:30 pm (November through March) if no golfers are within sight.

Notwithstanding the above, every Thursday or on any day there is a shotgun start, cart paths are closed to non-golfers at 7:00 am. It is the non-golfer's responsibility to know when they are permitted on the cart paths.

Cart path user etiquette for walkers and bikers: Whenever the golf course is open, golfers have the right of way. Non-golfers should make certain that no one is playing or will be playing a hole before they enter the golf course property. It is advised that walkers or bikers travel from green to tee box to ensure that they will see any oncoming golfers and step out of the line of play.

If a walker/biker finds themselves on a hole with golfers, they should move as far out of play as possible and remain out of the line of play until the group has passed.

Dogs must be always on leash and stay on the cart path. Owners shall clean up all dog waste.

TRANSPORTATION:

WALKING: Golfers may walk, carrying their own clubs or use a pushcart at any time provided they are able to maintain the appropriate pace of play.

GOLF CART USAGE – ALL CARTS: All golf carts used on the golf course must comply with the Association's rules governing golf carts and low speed vehicles.

PRIVATE GOLF CARTS: Member-owned golf carts are permitted on the golf course and cart paths if they are electrically operated, two seat and of like body style and design as the Plantation fleet carts. **The body color will be cream or white. Top may be cream, white or black.**

Members utilizing their private cart without having paid an annual trail fee shall be subject to the current cart fee in effect and must register with the Starter or Golf Shop prior to teeing off. If teeing off after the golf shop closes, he/she must report the number of holes played the following day. Prevailing cart fees will be charged.

PRIVATE GOLF CART TRAIL FEE: The Plantation's Private Cart Agreement provides for the payment of an Annual Fee in lieu of per round cart fees. A complete copy of the Private Cart Agreement, containing detailed terms and conditions, may be obtained from the Accounting Department. A Member's cart is registered to the household and may be used by any resident of that household possessing a valid driver's license. If more than two family members are on the course at the same time, each succeeding person will incur cart fees.

Dependent children under the age of 25 whose residence is in the Plantation home of the Member shall not be charged a cart fee when riding in the private cart with a current trail fee tag.

If a trail fee is not in effect, the driver must register in the Golf Shop prior to teeing off. **Failure to do so will result in loss of privileges and possible fines.** If a member without a private cart agreement tees off after the golf shop closes, he/she must report the number of holes played the following day. Prevailing cart fees will be charged.

A member, including Legacy members who does not own a golf cart may purchase a trail fee and use a club-owned car. Please contact the accounting office for current trail fee. No insurance is required.

PUSH CARTS: Golfers may walk and carry their own clubs or use a pushcart at any time *provided they are able to maintain the appropriate pace of play.*

Push carts, much like electric carts cause wear and tear on the course. It is particularly evident around the tees and greens where foot traffic is concentrated. Please remember:

- Push carts are not permitted between the greenside bunkers and the putting green.
- Push carts must be kept at least 10 feet from all tees and greens.

HANDICAPS/SCORES: Members are responsible for posting their scores on the same day of play either through the GHIN mobile app or the handicap computer(s) located in the Golf Shop and 19th Hole. The Pro Shop will post scores during club sanctioned events. Failure to post scores in a timely manner will be monitored by the Handicap Committee. If further action is required, the Handicap Committee will contact the individual in question.

CARE OF THE COURSE: Proper care of the golf course requires that all players repair ball marks on the green, fill divots using the top dressing provided on the course, rake footprints and other disturbances in bunkers, and carefully lay flagstick and clubs on the putting surface. On cart path only days, players should bring top dressing from their cart onto the fairway to repair divots. Players are asked to repair any damage overlooked by other players and to always place the sand rakes outside of the bunkers.

A player may not play a chip shot from a putting green. Therefore, if necessary, a player may drop the ball without penalty at the nearest point off the putting green, no closer to the hole.

A multi-day member-guest event is counted as one time. While the Golf Shop will record Guest play and periodically check the number of visits, it is each
